Forecast for Sunday 09 Jul 2023

Weather: Any heavy rain soon clearing away northwards with low cloud burning off in the morning. Then most of the day will be bright with some sunny intervals. An odd heavy shower may break out in the afternoon and early evening, these most likely across the southern Cairngorms

Chance of cloud-free hill tops above 800m: 30% rising to 90% in the afternoon

Low Cloud and visibility: Areas of low cloud down to 300 metres at first, this lifting by late morning. Otherwise good visibility with cloud largely above summits in the afternoon.
